IP2 In-testing Notes

participant: armaan

Ease ratings (How easy was that, with 1 being the least and 5 being the most?)

	1	2	3	4	5
T1 record					✓
T2 Filters					✓
T3 learn a dance					✓

NASA-TLX after T3 (for the dance task, give each a number from 0-100, 0 means very low, 100 means very high)

scale	question	score
Mental	How mentally demanding was learning the dance?	1
Physical	How physically demanding was it?	1
Temporal	How hurried/rushed was the pace?	1
Performance	How successful were you at doing the dance?	5
Effort	How hard did you have to work to get that score?	1
Frustrated	How irritated/stressed/discouraged were you?	1

What was the most confusing or frustrating moment? What did you expect to happen?

When you were recording, how did you know it was filming?

How did you decide which filter you had selected?

Did you feel you learned the dance, or just hit the targets? Why?

-

Did the bubbles clearly tell you when and where to move? Did Practice or Mastery change that?

If you could change one thing about the studio, what would it be?

Would you use this to learn or film a TikTok dance instead of your phone? Why or why not?
